

# VivaCart™

## Versatility Meets Mobility

The versatile, all-new **VivaCart™** offers portability, flexibility, and seamless integration with most pumps.

### Roll True.

- Easy-glide 5 inch (12.7 cm) swivel casters for a smoother ride
- Directional lock casters offer straighter linear movement
- Vibration dampening technology minimizes transport noise

### Cut Cart Clutter.

- Vertical mounting options for monitors & equipment
- Side-mount storage for tubing protects system lines
- Soft-close internal drawer for additional storage

### Tailored Transport.

- Customizable upper shelf securely accommodates most pumps
- Lower shelf designed to house MCH-1000(m) & extends to three locking positions
- Configurable options include added storage, cord management, power-strip, & more
